# T-Shirt Cape

1. Cut t-shirt open. Lay out the t-shirt so it's flat. » Cut off the sleeves using scissors. » Starting from the bottom of the sleeve hole you just made, cut along the side of the shirt all the way to the bottom. » Cut along the other side of shirt using the same method.

2. Create cape shape. Open up the shirt so that the side with the tag is closest to you. » Use a marker to draw out a cape shape that includes the whole shirt neck. » Cut out the shape you just drew.

3. Make neck clasp. Cut open the neck hole. » Hot glue velcro on each of the neck flaps.

4. Cut sleeve open. Like with the side of the shirt, cut open the sleeve. » Lay the sleeve out flat. » Draw a 5"x8" rectangle on the sleeve using a ruler. » Cut out the rectangle. » Fold the cloth in half so you have a rectangular strip that is 2.5"x8".

Supplies

1 adult large or XL t-shirt

velcro

piece of felt (2.5"x8")

scissors

hot glue gun

ruler

fabric paint (optional)

small paint brush

Project Title, continued

5. Make cuff. Cut a piece of felt that is 2"x7.5". » Center the strip of felt onto your folded strip. » Hot glue the felt onto the folded strip. » Open up the folded strip. » Fold the strip so that the felt is covered up. » Glue between the edges of your folded strip. » Add velcro to opposite ends of the strip so that it closes to make a cuff.

6. Decorate! Use fabric paint and a paint brush to design a superhero logo for your cape. » You can also use a stencil or add sequins or even a fringe.
