

Yarn Beard

1. Cut beard hairs. Open up the skein into its loop. » Cut the yarn loop on opposite ends.

Supplies

1 skein (any color)

Ribbon: 2 pcs (36" & 8")

Scissors

2. Attach beard hairs. Fold a yarn strand in half. » Place the bunny ear loop on top of your longer piece of ribbon. » Place it towards the center of the ribbon. » Fold the bunny ear loop around the ribbon so that you have some of the loop below the ribbon. » Put the two loose strands through the bunny ear loop. » Pull the yarn so that you create a knot around the ribbon. » Attach approximately 50 beard hairs using this method.

3. Make the mustache. On the 8 inch ribbon, attach around 15 strands of yarn using the method from step 2. » Starting from the left hand side, count 7 beard hairs pull them aside to make a small gap. » Tie one end of the 8 inch piece of ribbon where you made the gap. » Starting from the right hand side, count 7 beard hairs pull them aside to make a small gap. » Tie the other end of ribbon where you made the gap.

4. Clean up beard. Trim the ends of the knots from the mustache. » Scrunch of the beard hairs so it looks like one solid beard. » Trim the beard and mustache to the length of your choice.
