

✂️ Cut off all the solid yellow parts, leaving only the white kite.

7 Staple a full straw in 2 spots behind Makey's elbows.

4 ✂️ Cut off all the solid yellow parts so only the white kite remains.

1 Fold along this line outward: "mountain fold."
6 Staple a 2-yard (2m) kite tail to the back on the pink mark.

2 Bend these 2 folds inward instead of out: "valley fold."
3

5 Place a half of a straw behind the "M" on Makey's chest. Staple just next to it.

8 Make a hole in the black dot in the middle of the "M" and tie a string through it. Find some wind and take Makey out for a high-flyin' spin in the sky!

Design based on the 1986 Year of Peace Dove by the Australian Kite Association
